

b u r n a

The word 'burna' is written in a thin, black, lowercase sans-serif font. A pen nib is positioned over the letter 'n', pointing towards the top right. Above the pen nib, the letters 'NE' are written in a small, black, uppercase sans-serif font.

Pronounced: BOO-RA

The bone-chilling northern wind that blows in Croatia during sunny days.

Wedges krumpir, umak od tartufa  
*Wedge potatoes, truffle sauce*

According to the legend, Bura is a girl that is struggling and wounding over rooftops and canopies when anyone cusses the wind. Being revengful, Bura can use the chimney sparks to burn the house down to those who cussed the Bura wind. Because of that, according to the ancient beliefs, Bura is not to be cursed.
